

Cross Of Many Squares Quilt

Make your own **Design Wall on Hobbs Heirloom Batting** (70"x90" minimum)

Fold, press and mark **Vertical Center Line** with FriXion heat erasable Highlighter Marker.

Measure down 31" from top center, make Permanent Sharpie Mark for **center of Cross**, and mark the **Horizontal Line** for the cross beam of the Cross.

Using a 5"x24" rotary ruler, mark **generous 5" spacings** (leave a little Wiggle Room) use wide width of marker, see the entire width of previous line before placing the ruler again... creating a little extra space for re-arranging the fabric squares.

Each 5"x5" big square will hold four squares of fabric (2.5" each)

Five marks up from the center cross point at generous 5" spaces, and **one mark at 2.5"** to **top of quilt**.

Ten marks down from the center cross point at generous 5" spaces, and **one mark at 2.5"** to **bottom of quilt**.

Six marks out left & right from the center of cross point at generous 5" spaces to **edge of quilt**.

Extend all the vertical lines from top to bottom.

Extend all the horizontal lines from side to side.

I used ceramic tile floor grout lines to help me stay straight and square.

NOW COUNT and mark INDIVIDUAL 2.5" LITTLE SQUARES

The **top of Cross** will be **Five Squares up** from center cross point.

The **bottom of Cross** will be **Fourteen Squares down** from the center cross point.

The **edges of Cross** will be **Six Squares out** left and right.

See photo... **Mark outline of Cross**... center your 5' ruler on center horizontal line, marking at 2.5" parallel on each side of the center lines to the edges of Cross.

The **Main Cross** will have two rows of 2.5" squares across, and two columns of 2.5" squares down.

The **Dark Outline** of Cross will be one round of 2.5" squares (Cross is now 4 rows, 4 columns).

The **Light Outline** of Cross will be one round of White and/or lightest shades of Swooshes of colors.

The rest of the background will be divided into Swooshes of Colors ...see photo.

Liturgical colors for the seasons of the church: Green, Red, Purple, Blue, Gold.

Each color section should have light, med, and dark tones.

*Pattern by Seder Quilts @2016 based on original quilt at St Raphael Episcopal Lutheran Church in Benson Arizona, designed by Carla, and pieced by Lebby.
